RETURN OF THE WOMBAT

Born back in 2004, Wombat® was the perfect name for a brand inspired by the laidback Australian lifestyle. After all, the native to Australia wombats spend their lives sleeping, grazing and sunbathing!

Our exciting new shorts collection is born to be worn with styles made for the every day. We want our looks to reflect the people that wear them so have created fashionable yet comfortable styles that will cover you work to weekend.

WB908 Mens Denim Shorts

What's better than a classic denim short? The fit on our men's denim shorts is easier on the thigh meaning you can easily style these rolled up at the hems. We've given them a wash before they get to you for an authentic finish and added brass details with contrast stitching.
